Code of Conduct for the Acceptable Use of Technology

RIGHTS

- I have the right to use the school computer network, ICT products and internet facilities for classroom assignments as directed by the teacher.
- I have the right to privacy for my password and my work; however, I understand that staff will supervise me to ensure that I am on task.
- I have the right to use a computer that is well maintained and not vandalised in any way.
- I have the right to be safe and not confronted by inappropriate material.

RESPONSIBILITIES

- I have the responsibility to maintain the computer facilities as they have been set-up for use by the school and I must report any problems with the set-up immediately.
- I have the responsibility to respect the privacy of other people's passwords and under no conditions reveal my password or someone else's to other students.
- I have the responsibility to observe all copyright laws with respect to software and the internet.
- I have the responsibility to use appropriate language on-line and not interfere with the work of others.
- I have the responsibility to report any sites containing offensive or inappropriate material. **I must not change any settings on the home screen or access any unsuitable sites.**
- I have the responsibility to ensure my own personal safety and that of others by not revealing the personal details of myself or any other person on the internet
- I have the responsibility to not to access, print or send/receive inappropriate material neither rude nor obscene nor dangerous.

CONSEQUENCES

Breaches of Code of Behaviour will result in loss of access to the School Computers, ICT Equipment and the Internet for a stipulated time frame.
