SEBASTOPOL PRIMARY SCHOOL MOBILE PHONE POLICY

Sebastopol Primary School Policy Regarding the use of mobile phones by children during school time.

1. We prefer that no child brings a mobile phone to school. However, if parents insist on their child having a mobile phone, then the following conditions will apply.
 - a. The school takes no responsibility for any loss of or damage to mobile phones while they are at school.
 - b. All students mobile phones must be handed into the office for safekeeping during the school day. Children will sign their mobile phones in by 9.00am and then sign it out at the end of the day.
 - c. Children are not to use their mobile phones during class or recess times. If an emergency arises regarding a child, the office will contact parents immediately; or parents may ring the school if they need to contact their child.

Thanking you for your cooperation in this matter.
